Hi **Erica**! Happy Friday! Do you have any openings in your schedule today for a quick conversation about our grand and slack housing and a sticking point with the city?

Hi Courtney. Is this conversation timely or can we chat at the end of Monday?

It's timely :/ sorry. Happy to jump in the van and deliver flowers with you or run an errand and talk with you or anything that can work with what you have going on.

I can pick up and bring you lunch...

OK. I am on vacation [REDACTED]. I should be available in a half hour.

Ha ha. Awesome. Is [REDACTED] local? Possible to bring lunch there?

And sorry to interrupt your vacay!!!

It's [REDACTED] away. [REDACTED]

Oh geez. Okay. You enjoy and we'll connect late Monday!! Not worth interrupting that sweetness!

Thank you 🙏

Hey Courtney! Can you talk at 10:20?

Yes!

I'm available now

Thanks again for the call! LAFCO approval isn't likely until end of year - after the next council meeting decision. Safe travels!

You are welcome. Thanks for the updates
