Morning! Sorry I missed your calls yesterday. We didn't really have access to our phones most of the day yesterday. :/ and now [Redacted text]. Do you have any openings to talk tomorrow?

No worries. I should have time between 12 and 2pm on Monday.

Okay: is that too late since you're submitting letter and commenting?

Hmm good point. I can call or text when I have a few minutes tomorrow. I can't tell you what time I'll be available. [Redacted text]

That's right! I'm pretty open ❤️

Hope event went so well yesterday. Have time this morning to talk?

Here's our situation: Jeff is concerned that harvest lofts may get pulled if you all comment. If it does we will not close by the deadline with the developer. They can cancel the deal and they will likely do it. We are committed to working with tenants on their leases and making sure they have a soft landing. I know the tax issue is a big deal. Is there anything we can do to work through this today? I texted Whitney also. Happy to jump on the phone anytime.

Yes 

I should have time from 9:15 to 9:45 as I'm driving/walking to class. Can we talk then?

Cal Poly Partners will send a letter to the City that "if tenants can't find housing in the community we will extend their lease in Harvest Lofts up to 12 months allowing them time to find housing in the community". We will also reinforce our commitment to our relationship and the community in housing. We'll also include language about equal cost of rent across cal poly and non cal poly renters. Sound good? 

Thank you

We're getting you the letter by 11 to make sure you have time to edit before deadline to submit

Ok. Thanks just finished class

We're not seeing you on the speaker list for Trustee meeting tomorrow. Did you decide not to speak?

 Correct just sent the letter
