Do you have time to talk for about 10 mins sometime today? Housing, enrollment, Greek life

Headed to external affairs now

ASI

Free again at noon

Thank you and thank you. I just got out of PT and should be flexible on and off for most of the day. Give me a call when you are available.

Just so you know... we were invited to council to give our annual update on enrollment and housing. We are so happy to do that. We will not be responding to questions on any other topics/issues. We look forward to talking with your leadership team and council about any pressing issues, anytime but can't have this be a free for all in a public setting for divisive issues that are very much in process. Also it's Mike, Jo, Terrance and me and we don't have the subject matter experts on all issues able to attend. I'll call you at noon but definitely wanted you to have that heads up!

Got it. I look forward to talking to you at noon.

will call you back in a few minutes
