Fraternity & Sorority Life at San Francisco State University

The fraternity and sorority (Greek Life) community at San Francisco State University, a California State University, is diverse, encompassing national, regional, and local chapters that offer students opportunities to form lifelong bonds through brotherhood and sisterhood. With 31 active chapters and six Greek Councils, Greek Life provides enriching experiences that include giving back through community service, fundraising for important causes, and participating in both social and academic activities. These experiences foster personal growth, leadership and professional development, and create a sense of belonging, allowing students to build meaningful relationships and enhance their overall university experience while positively impacting both campus and the surrounding community.

Student Activities & Events

Student Activities & Events (SAE) at San Francisco State University fosters student engagement through diverse opportunities that promote personal growth, leadership, and community building. With over 280 student organizations, students can explore extracurricular interests ranging from cultural, academic, and professional clubs. The department supports the creation of campus-wide events, leadership programs, and campus traditions, empowering students to develop leadership skills through active involvement and build belonging and community across campus. Additionally, the Student Life Events Center (SLEC) at Annex 1, provides space for large-scale campus activities such as performances, conferences, and celebrations.

For more details, visit [Student Activities & Events](#).

Greek Life at San Francisco State University has been a central part of the campus community since 1928, currently housing 30 recognized fraternities and sororities under several councils. These organizations foster personal growth, leadership, academic persistence, and social networking through a supportive community. Each Greek organization offers diverse values and principles, enabling members to develop skills and form lifelong bonds.

For more details, visit [Greek Life at SF State](#).

The staff supporting Greek Life at San Francisco State University are dedicated professionals who provide guidance and resources for fraternities and sororities. They assist in leadership development, event planning, and adherence to university policies. The team works closely with chapter members and councils to foster a vibrant, inclusive community that promotes personal growth, academic achievement, and responsible citizenship. Their mission is to ensure a positive and enriching experience for all members of Greek Life.

For more information, visit [Meet the Staff](#).

Campus-Recognized Sorority & Fraternity Transparency Act: AB 524

The California State Legislature and Governor approved Assembly Bill No. 524 ([AB 524; Sections 66310-66312 of the California Education Code](#)) in September 2022. AB 524 requires each institution of higher education to include the institution's requirements for campus recognition of a campus-recognized sorority or fraternity, as defined, a requirement that the sorority or fraternity submit to the institution on or before July 1, each year, specified information concerning the sorority's or fraternity's members and their conduct.

Questions concerning AB 524 or any individual or community-related fraternity or sorority conduct, and the content outlined in this annual report can be referred to the offices listed below:

Chapter Management

Recognized and active chapters at San Francisco State University are supported with opportunities to become engaged leaders, positively contributing to their organization and the campus community. Chapter leadership receives continuous guidance, support, and resources, enhancing their growth and activities throughout the year. Workshops and resources provided in collaboration with campus partners ensure the success and sustainability of the Greek Life community.

Key programs and expectations include:

- Annual Re-registration and Recognition
- Student Leader Orientation Modules (SLO)
- Monthly Chapter Executive Meetings
- Registered Student Organization Summit (RSOS)
- One-on-one Chapter President Meetings
- Annual Greek Life Summit

Education & Safety

All registered organizations and clubs are required to complete the annual Student Leader Orientation (SLO). This provides an overview of university requirements for recognition, establishment of bylaws, understanding campus policies for events, and organizational operations. Student Activities & Events supports chapters with event planning, leadership development, conflict management, and navigating Time, Place, and Manner (TPM) policies for both on- and off-campus success. The Student Activities & Events Office collaborates with the following departments: Risk Management, Conference & Events Services, and University Police to ensure student safety for university sanctioned events.

Title IX

Recognized fraternity and sorority chapters must comply with Title IX regulations, promoting a safe, non-discriminatory environment for all members. Chapters receive annual training and additional trainings upon request or in coordination with university or CSU system-wide mandates, on preventing and addressing sexual misconduct, harassment, and gender-based violence to ensure that fraternity and sorority life remains supportive and inclusive. Annual training occurs at the Greek Summit each Fall semester in collaboration with the Office of Equity Programs & Compliance.

Hazing Prevention

Hazing prevention is a core focus of Greek Life. All chapters are educated on anti-hazing policies and the dangers associated with such behaviors. Through workshops, training, and university oversight, students are informed of the legal and ethical consequences of hazing, ensuring that all new member processes foster a positive and safe environment.

Conduct & Investigations

Student Organization/Club Conduct Procedures

All registered student organizations at San Francisco State University are required to adhere to the University's Recognized Student Organization Code of Conduct (RSOCC). This code ensures that all recognized fraternity and sorority chapters operate within university policies, maintaining the safety, health, and well-being of the community. Organizations are expected to uphold responsible behaviors, with violations potentially resulting in disciplinary action, including probation, suspension, or the loss of University recognition. Regular oversight and sanctions ensure accountability and compliance with university and legal standards.

For full details, visit [SF State's RSO Conduct Procedures](#).

Reporting Complaints or Misconduct

Anyone can submit a complaint via the [RSO Complaint form](#) or contact the Student Activities & Events Office at 415-338-3060 or activities@sfsu.edu

CONDUCT STATUS	
Only Organizations with Violations	
Chapter A-Z	Conduct Status
Zeta Chi Epsilon	Suspended. <i>Cannot be Considered for Recognition Until Fall 2026</i>

The University takes allegations and reports of misconduct seriously, with any submitted reports potentially triggering an investigation. Violations may result in disciplinary actions, including probation, suspension, or the loss of recognition. Regular oversight ensures that all organizations remain accountable to university and legal standards.

Questions concerning student or organization conduct can be referred to the Office of Student Conduct at conduct@sfsu.edu or 415-338-2032. More information can be found at conduct.sfsu.edu.

Family Educational Rights and Privacy Act

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. This federal law applies to all schools that receive funding under most programs administered by the Department of Education. The primary rights afforded each student are the right to inspect and review his/her education records, the right to seek to have the records amended, and the right to have some control over the disclosure of information from the records.

The University may not disclose protected or confidential information from a student's education record, with some exceptions, including: Student's Written Consent; Valid Subpoenas; Search Warrants; Ex Parte Order (Patriot Act); or Emergency/Crisis Situation.

The default is UNPROTECTED. No Directory Information is protected unless you set a restriction. To change your setting, Go to myportal.calpoly.edu then click Personal Info tab.

Faculty and Staff Information

- Faculty and Staff are reminded that the Office of the Registrar is the designated Custodian of Academic Records for the campus, and is responsible for issuing official verifications of academic data. Only the Registrar's Office may issue official transcripts for students; this extends to releasing and/or verifying student academic data that is requested.
- Faculty and staff of academic departments and colleges may provide letters of reference and recommendations for students. These letters must be based on personal information and knowledge of the student and must not give out academic data including disciplinary actions, and/or academic standing.
- If a Department/College chooses, it may provide students with the campus [Departmental FERPA Release Form \(Word\)](#); this form allows students to provide permission for the Department/College to discuss specific elements of their academic record and/or performance with their parents/guardian/sponsor.
