**DECLARATION OF SHARON
GALLOWAY IN SUPPORT OF
OPPOSITION TO MOTION FOR
JUDGMENT**

*Filed concurrently with Opposition to Motion
for Judgment; Request for Judicial Notice*

Hearing

Date: November 4, 2026

Time: 9:00 a.m.

Dept.: 4

Assigned for All Purposes to:
Hon. Tana L. Coates
Department 4

Action Filed: March 18, 2026

DECLARATION OF SHARON GALLOWAY

I, SHARON GALLOWAY, declare as follows:

1. I am over the age of 18, and I submit this declaration in support of the Opposition to the Motion for Judgment by Respondents/Defendants Board of Trustees of the California State University and Jeffrey Armstrong, in his official capacity as President of California Polytechnic State University, San Luis Obispo (together, "Cal Poly"). Except as otherwise indicated, the facts set forth herein are known to me personally or have been determined by my review of official records and other documents that are maintained by Cal Poly. As to those matters stated on information and belief, I am informed and believe that they are true. If called as a witness, I could and would competently testify thereto.

2. At all relevant times herein, I am and was employed by Cal Poly in the Public Records Access Unit which is currently part of Cal Poly's Strategic Business Services Office. My job title is PRA Unit Confidential Office Support, but prior to January 1, 2026, my job title was PRA Unit Administrative Support Coordinator. In my capacities as PRA Unit Confidential Office Support and as PRA Unit Administrative Support Coordinator, I assist in processing Public Records Act (PRA) requests by coordinating the collection of records, reviewing records, and providing responsive records to requestors in accordance with applicable laws, policies, and procedures.

3. On or about November 23, 2025, Petitioner Kathie Walker (“Walker”) submitted a public records request to Cal Poly seeking, among other things, the date, time, and address of each fraternity-sanctioned event held from July 1, 2023 through November 23, 2025 (the “2025 Request”).

4. Upon investigation and review of possible responsive records, my office determined that Cal Poly's Fraternity and Sorority Life ("FSL") Office held responsive records—namely, completed FSL Event Registration forms, which are a required element of the FSL Office's event registration process under which all events sponsored or endorsed by a recognized Greek organization must be registered with and approved by the FSL Office in advance.

5. On or about February 6, 2026, Cal Poly produced to Walker approximately 450

1 FSL Event Registration records responsive to the 2025 Request, covering fraternity-sanctioned
2 events held from 2023 through 2025.

3 6. In preparing the records for production, my office carefully reviewed the FSL
4 Event Registration records responsive to the requests and made targeted, surgical redactions
5 consistent with Cal Poly’s legal obligations.

6 7. Specifically, my office designated for production all of the FSL Event Registration
7 forms for the time period in question, but redacted specific information on the basis of protecting
8 student privacy, including residential addresses.

9 8. My office did not redact all addresses on the FSL Event Registration forms. In
10 instances where a student provided an address that appeared on the list of official chapter houses
11 provided by FSL or where the student identified a third-party venue, the address was not redacted.
12 Any residential address on the FSL Event Registration forms, including an address for a location
13 that a student identified as a “satellite house,” was redacted or designated to be redacted.

14 9. For purposes of preparing this declaration, I again reviewed the records that were
15 produced in response to the 2025 Request. Based on this secondary review, I noted several FSL
16 Event Registration forms that contained unredacted addresses for a “satellite house.” Four
17 addresses—1236 Monte Visa Pl, 720 Foothill Blvd, 1264 Foothill Blvd and 280 California Blvd—
18 are not redacted because they appear on the FSL list of official chapter houses. I believe that the
19 students who submitted these forms incorrectly or inadvertently identified these locations as
20 satellite houses on the forms. An additional “satellite house” address—located on Foothill Blvd.—
21 does not appear on the FSL list of official chapter houses. I believe that my office inadvertently
22 failed to redact this address, as it should have been redacted.

23 10. The only addresses that *are* redacted from the FSL Event Registration forms that
24 were produced to Walker are residential addresses that are not official chapter houses or a third-
25 party commercial venue.

1 I declare under penalty of perjury under the laws of the State of California that the
2 foregoing is true and correct to the best of my knowledge.

3 Executed on this 9 th day of July, 2026, at San Luis Obispo, California.
