Follow up to Jeff meeting...

about 17% of our students are involved in Greek life. For Fall 2024, that's 3,921 in fraternities and sororities of our 22,842 total enrolled.

Hi! Can you remind me... the city did 2 in person interviews with the grand jury AND provided written responses? We're trying to align with what you did.

I think they interviewed 6 people from the City and we provided information in response to a couple of written PRAs.
